RE: United States v. Tyrell Beecher
20 Cr. 563 (JPO)

Dear Judge Oetken:

Tyrell Beecher was sentenced by Your Honor on October 5, 2022 to 9 months in prison. He is finished with his prison sentence. As a condition of his pretrial release, he surrendered his U.S. Passport to U.S. Pretrial Services.

Mr. Beecher would like to have his passport returned. U.S. Pretrial Services advised me that it cannot return Mr. Beecher's passport to without a Court Order.

I respectfully request that Your Honor endorse this letter directing that U.S. Pretrial Services return Mr. Beecher's U.S. Passport to him.

Your courtesies and attention to this matter is greatly appreciated.

Granted.

Pretrial Services is hereby directed to release custody of Mr. Beecher's passport and return it to him or his designated representative.

So ordered.

Respectfully yours,

/s/Thomas Ambrosio
